## **! WARNING**

For Your Child's Safety Read All Instructions

### **STRANGULATION HAZARD**

- Do **NOT** attach ribbons, cords or any other items to the Pacifier, unless they are specifically designed for use with a pacifier.
- Do Not Tie Pacifier Around Child's Neck as it Presents a Strangulation Danger.

## **! WARNING**

For Your Child's Safety Read All Instructions

### **CAUTION**

- Adult supervision required.
- Inspect carefully before each use, especially when the child has teeth.
- Gently pull the Pacifier in all directions to check for any damage. Discard Pacifier at the first sign of damage.
- Never dip the pacifier in sweet substances, as this may cause tooth decay.
- If the pacifier becomes lodged in your baby's mouth, **DO NOT PANIC**. As gently as possible, remove the pacifier from the baby's mouth.

## **Before First Use**

Sterilize in boiling water for 5 minutes – Allow to cool completely and dry thoroughly. If needed, squeeze out any trapped water.

## Cleaning

To ensure optimal hygiene, always wash and rinse thoroughly before and after use.

Clean using mild soap and water. Do **NOT** use bleach or any other harsh chemicals. The Pacifier is **NOT** dishwasher safe.

Dry thoroughly before storing – If needed, squeeze out any trapped water. Store in a dry place.
